

# CAPABILITY STATEMENT

## THE PLASTISOL DIP, COATING & MOLDING SPECIALISTS

High Quality - Tight Tolerances - Simple to Complex Projects - Custom Molds & Tooling  
Any Part & Shape - Quick Turnarounds - Low Cost Alternative to Injection Molding

### Company Data

PDM is an industry leader in plastisol dip coatings + moldings. This process provides a durable protective coating with many advantages including - Electrical Resistance, Noise & Vibration Reduction, Abrasion & Chemical Resistance, Insulation + Impact Protection

We provide high quality applications serving all industries, including the military, automotive, marine, medical, construction, sporting goods and many others.

**Est. 1975 - (1) 20,000 sqft Location - Domestic & International**

**CAGE: 6UMJ2 - UEI: ZMJKMP9UGPQ3 - ISO 9001:2015 - PIEE**

### Core Competencies:

- Plastisol Dip Coating
- Plastisol Dip Molding
- Secondary Operations
  - Cutting, Trimming & Punching
  - Screen Printing
  - Light Assembly
  - Packaging Services

### NAICS / PSC Codes:

NAICS	PSC
• 325510	• 3895
• 325520	• 3750
• 325211	• 5110
• 324122	• 5120
• 326199	• 5130
• 326299	• 5306
• 213112	• 5325
• 336992	• 5355

### Differentiators:

- Custom Solutions
- Specialty Projects
  - Any Part shape or size
  - Simple to Complex
  - Molds + Tooling
  - Colors & Textures
- Quick Lead Times
  - Production & Quotes
  - On Time Delivery

### Past Performance:

- D.O.D (1M+ Units)
- Ford (\$1M+ Rev.)
- GM
- Chrysler
- Toyota
- Herman Miller
- Steelcase
